

RAM
FABRICATION AND WELDING SERVICES

THE JEWEL IN THE CROWN

RAM Fabrication has been able to show off their workmanship with the completion of Crown Towers in Burswood. The new hotel has demanded exceptional quality finishes especially in the Six Star Penthouse Suite and other areas of the lavish Hotel.

RAM Fabrication contracted to builder, Multiplex Constructions and has been very proud to have been a part of this project. The Hotel opened to the public on 1 December.

Bottom Left - Glass Balustrade with black timber handrail and brass strip channel.

STAINLESS STEEL SPECIALISTS

RAM Fabrication is renowned for superior craftsmanship when it comes to using stainless steel.

Products include:

- bollards
- handrails
- balustrading
- gates
- water features
- pool rails

Fire Training

Staff at RAM Fabrication undertook fire training recently in the factory in

Capital Square Contract Win

RAM Fabrication has been awarded the contract to complete 29 floors of glass balustrading which sits in a customised steel channel. The project is ideally suited to a specialised contractor such as RAM, as some of the stair voids are curved.

Capital Square Tower 1, currently under construction by builder, Multiplex will be all offices with Woodside Energy being the main tenant. For more information visit <http://www.multiplex.global/projects/capital-square/>

order to refresh their knowledge of using fire extinguishers - which ones to use on what occasions.

Thanks to EFire & Safety for their professionalism.

RAM Christmas Closure

The RAM workshop will be closed from 15 December to 9 January. Skeleton staff will be available on request for on-site works. Please contact us with your requirements.

Merry Christmas to all our customers and suppliers and we look forward to working with you in 2017.
